made to twist this into a political move, but I do not believe there is even a tinge of politics connected with it-certainly no indications of such tendency have reached me here

No Connection with the Army. "It has no connection with the army p to the present time, other than as have indicated to you. Johnston's activities in connection with it have been purely unofficial. He simply aided them with suggestions concerning their list of special qualifications and talked the matter of the organization over with them. He appreciates fully the fact that he cannot take any official position in an organdirectly.

Connection Limited to an Interview.

"My connection is limited wholly to an interview two or three weeks ago with two gentlemen who were the founders of the movement, one a for-
